

Shelf **2055**

Description

The SH 2055 is a compact modular shelf designed for flexible use and creative arrangements. It can stand upright, upside down, or be combined with additional units to form larger compositions, adapting easily to different needs and spaces.

Its folded structure helps keep books in place while also creating small vertical dividers for organized storage. With its clean lines and straightforward design, the SH 2055 offers a practical and versatile solution for displaying and storing everyday items in a modern interior.

Dimensions

Height 20cm Width: 40cm Depth: 20cm
Weight: 2.3kg

Material

Steel. All components are crafted from powder-coated steel, featuring a refined textured finish.
